The story of Phuvista. The first meaning comes from the name Phuket, the second meaning with the same sound in Thai as a mountain is Phukhao, and Vista means spectacular scenery. Therefore, all three meanings can be combined into Phuket's beautiful mountain. Phuvista is located at Nai Thon Beach. It is in a truly stunning hillside environment. See the beautiful sea view just 300 meters from Nai Thon Beach. Nai Thon is a high-end private beach and is close to various local amenities such as Phuket International Airport, Sirinat National Park, United World College Thailand" (UWCT), Blue Canyon Country Club, Tesco Lotus Supermarket, Makro Classic Store, and Thalang hospital. This project is built with a luxurious lifestyle and relaxation in mind. The Phuvista project is designed in a modern style overlooking the sea.

Emphasis is placed on elegant, beautiful design with functions suitable for living your life in the most enjoyable way possible. In our more spacious villas, there will be a lift to facilitate customers ideal for those with large families and the elderly. The atmosphere surrounding the Sea Heaven Nai Thon project carries a modern relaxing luxurious vibe. It is a large project consisting of condominiums, facilities, shops, restaurants, and plazas which are very suitable for high-end modern living.
